

THE holiday cottage, sleeps 2+2 Mews

Located in the picturesque village of Alstonefield, the Mews cottage is a perfect location for exploring the Peak District National Park. The cottage has commanding views over the hills surrounding the village and has light and airy interiors.

The Mews has a large fully fitted kitchen (dishwasher, washing machine, fridge/freezer, cooker, etc) and a breakfast area. Just off the kitchen is a long hallway which is great for boots, bikes or wet dogs! The dining area has a large dining table for six and a large window that provides panoramic views across the hills.

Upstairs is a family bathroom with a bath and shower over. A large master bedroom with a king size bed and a second bedroom with twin beds. Both rooms also have commanding views.

Outside the Mews has off-street parking, a fenced front garden with patio and a small private walled garden and patio/BBQ area at the rear. There is also another enclosed storage area at the back of the cottage.
